Seek, Share, Rejoice!

seek, share, rejoice - pastor's reflection

Father Jerry Boland

Thoughts on the

Sunday Scriptures

Saint Peter plays a prominent leadership role in the first two readings, urging his listeners to be baptized and accept the gift of the Holy Spirit; and encouraging them to follow in the footsteps of Christ.

We have just renewed our baptismal promises at Easter and the Holy Spirit dwells in us in a special way.

Are we good stewards of those baptismal vows?

Have we renewed our commitment to follow in Jesus' footsteps?

Have we opened our hearts to discern the will of God in our lives?

Take some time to reflect on the importance of our baptismal renewal and our lives as disciples of the Lord.

©ICSC 2017

Dear Parishioners,

The Fourth Sunday of Easter is traditionally called, Good Shepherd Sunday. The gospel is a powerful reflection on Jesus – in his role as the Good Shepherd – who seeks to lead us to a place where we will live life in abundance.

Abundance is a feeling that strikes me as I reflect on the life of our parish. We have so much for which to be grateful.

Between the school and religious education program, 179 children will be making their First Holy Communion! What a special moment this is in the lives of these children, their families and their teachers. Most of us never forget the day we made our First Communion.

Almost 50 teens were involved in last week's Kairos Retreat. This is an experience that has a profound effect on many of our teenagers. I am so grateful to Fr. Paddy, the team and the adults who gave untold hours to prepare to present the gift of the weekend. The Spirit was rocking last Sunday when they returned home from their retreat.

Speaking of teens, I am thrilled to announce we have a youth minister who will begin on July 1st. Randy McGraw comes to us with a wealth of experience with teens. Many of you may know him because he has been on the faculty of Glenbrook South. I have known Randy since my days at Holy Cross. He and his wife Gery, and their family, moved into the parish a few years ago. He brings an extensive background in teaching and religious education. He is also a dad of teenagers. I can't wait for him to get started!

Thanks to our search committee that has labored for almost two years. We feel we have a person with the experience, and vision, to lay the foundation for an awesome youth ministry program.

Special thanks to Lenore Pettinger, Julie Cooper, Anne Pillion and the Women's Club for the extraordinary effort to gather professional clothing for Mary's Closet. Hundreds of professional clothing items were donated and made their way to Catholic Charities this week.

Next weekend is the Catholic Charities Collection. We will be taking up the collection. Please be generous! With how screwed up the State of Illinois is, there have never been so many demands on Catholic Charities to respond to the needs of many in Cook and Lake Counties. Your support also keeps my brother off my back! Thank you!

Congratulations to our parishioner, Carol Teschky who retired after 28 years of service to Maine Township. She is a public servant in the best sense of what that means. She will be deeply missed at Maine Township, who so appreciated her years of dedicated service.

The recent issue of the Winnetka Current featured our parishioner Nancy Detlefsen who donated a kidney to a person desperate for a transplant. This act of such kindness and courage has changed the life of the recipient. Talk about an Easter Story! Nancy is concluding three years of service to our Parish Pastoral Council. Nancy, you are a blessing.

We have almost 20 candidates for the Parish Pastoral Council. How awesome is that! Leadership matters and our parish thrives because of the willingness of many to serve not only the PPC but the many ministries and organizations of our parish community.

Yes, I am deeply aware of the blessed reality of abundance that I feel on this Good Shepherd Sunday. I am grateful every day to have the privilege of serving as your pastor.

Easter Peace!

Fr. Jerry Boland

Catholic Charities Collection on Mother's Day

In the impoverished and violent neighborhoods that need us most, Catholic Charities is often the only place where people can go for help. Our doors are open to all. Families in crisis find new strength and the courage to build a better future.

Your Mother's Day gift will feed, comfort, shelter, and care for the poor and vulnerable. Catholic Charities has provided hope for 100 years. Learn more at www.catholiccharities.net.

Spring 2017

Dear Brothers and Sisters in Christ,

This is a special year for the Archdiocese of Chicago as we celebrate the 100th anniversary of Catholic Charities. Catholic Charities' centennial year is truly a celebration for all of us because its great tradition of charitable care has included the support of volunteers and donors from every parish in the archdiocese. For 100 years, through every era of war, peace, poverty and prosperity, Catholic Charities has worked together with the faithful to fulfill the Gospel mission to feed the hungry, shelter the homeless, welcome the stranger, comfort the afflicted, and bring hope to the hopeless.

Each year on Mother's Day, we have an opportunity to make a financial contribution to the Catholic Charities Mother's Day Collection. This year, as we face increasing violence in our communities, it is a critical time for us to come together to support Catholic Charities. With more than 150 locations throughout Cook and Lake Counties, Catholic Charities' services are intentionally located in the most troubled areas.

Through food and nutrition programs, early childhood education, alternatives for at-risk youth, trauma and grief counseling, job training, domestic violence programs, and substance abuse treatment, Catholic Charities' services are a powerful antidote the culture of drugs, gangs and violence that takes root in desperate areas.

Your donation to Catholic Charities will help the Church's efforts to promote peace, restore human dignity, and bring hope to those living with brutal violence and poverty. Please contribute as generously as you are able during Catholic Charities collection on Mother's Day. Or, make your donations directly to Catholic Charities at 721 N. LaSalle St., Chicago, IL 60654, www.catholiccharities.net/donate. May God bless you and your families.

Sincerely yours in Christ,

Cardinal Blase J. Cupich
Archbishop of Chicago

Celebrate! ...the JOY of Ministry Work

During this special time between Easter and Pentecost, we read from the Acts of the Apostles, highligting the work of the early church, and celebrate the beginnings of the Church. The ministries here at OLPH are doing the work that is described in these readings by building community, sharing talent and time, spreading the Good News of Jesus and bringing joy to others.

As we continue celebrating the joy of ministry work at OLPH, we recognize that ministries make our parish community vibrant and life giving. The idea to celebrate ministry work emerged from the Parish Transformation Initiative as a way to cultivate a community of faith that welcomes and engages all people. The ministries here at OLPH embody the work of the Apostles and the JOY of the Gospel by creating a connection to God, Church and community.

> *Peter said to them, "Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins; and you will receive the gift of the Holy Spirit."* [Acts 2:38]

Liturgical Art and Environment

The Liturgical Art and Environment committee consists of a group of parishioners that plan, design and maintain all decorative elements of the church. This is achieved by considering the liturgical seasons, the readings, feast days and parish celebrations.

The goals are to use meaningful symbols that foster attention on the actions of the liturgy, to decorate without distracting, and to create new mediums while respecting traditions to the past through the use of door hangings, floral arrangements, altar cloths and seasonal decorations both inside and outside the church.

Meetings are held quarterly. All levels of involvement are appreciated from watering plants and floral arrangements to floral design and sewing. Member participation is determined by individual desire. Christmas and Easter are the busiest seasons. It is a fun, devoted group! They welcome new ideas, as well as new members who would like to share their time and talent to continue to make OLPH a meaningful place to worship. Contact **Sally Corbett** at **s.corbett87@gmail.com** for further information.

Bereavement

The focus of this ministry and its members is to support those of our parish community grieving the loss of a family member by facilitating the preparation and coordination of the funeral liturgy. It is an arm of the OLPH faith family that endeavors to reach out to those who have experienced the death of a loved one and to help the family:

- Plan the funeral liturgy
- Reach out personally through phone calls or notes to the family during the ensuing year
- Plan the Mass of Remembrance on All Souls Day
- Guide families to appropriate outreach and support if help is needed during the grieving period

It is their intention that scriptural readings and music selected by the families provide a most meaningful funeral service. Training is a formalized course spread out over six weeks offered on an as-needed basis. Contact **Deacon Dave Kalina** at **dkalina@olphchurch-il.org** for additional information.

Ministry of Care

Care for the sick is an important part of who we are in our Catholic faith. The Ministry of Care strives to break down the barriers of isolation felt by those who are sick or homebound, to include them as full members of the community, and to provide hope of an ultimate healing, of both illness and sin.

The Ministry of Care at OLPH Parish envisions being able to find and reach out compassionately to all those in the parish who are in need. The members are instilled with the responsibility and privilege of bringing the Eucharist to those confined to their homes, hospitals, nursing facilities, and by offering them prayer, support and comfort and to help them maintain a continued connection to OLPH parish.

After an initial period of training, Ministers of Care are offered opportunities to visit and bring Holy Communion to residents of area nursing homes, assisted-living facilities, and other homebound persons. This ministry always involves being present in some way, even if only to give the gifts of listening and companionship. For more information, contact **Rick Nash** at **rick.nash@comcast.net**

Pre-Cana

The Pre-Cana Ministry is a group of married couples who volunteer their time to help newly engaged couples fulfill the Catholic Church's requirement of completing a pre-marital class and online inventory for couples preparing for marriage in the church. Their goal as volunteers is to teach and to assist the newly engaged couples in their preparation for marriage in the Catholic Church. They lead the pre-marital classes and schedule time to meet with couples in a safe and open environment to discuss the online FOCCUS inventory the

Celebrate! ...the JOY...(continued)

engaged couples are required to take. The Pre-Cana ministry continues to provide couples marrying at OLPH a welcoming atmosphere for fulfilling the requirements for marriage in church.

They welcome all married couples who are interested in getting involved and are willing to share their marriage advice with couples getting ready to take the walk down the aisle! To learn more about Pre-Cana, contact **Molly and Dave Kuhn**: **mollyakuhn@gmail.com or davida-kuhn@gmail.com**

Ministry of Praise

The Ministry of Praise is a spiritual ministry for those in our parish who are seniors, homebound, handicapped or sick, and unites them into a body of prayerful persons who support fellow parishioners through daily prayers for special intentions of OLPH and the Universal Church.

The Ministers' spiritual endeavors allow them to stay connected with our parish and to build a wealth of spiritual treasures for themselves and for our faith community. This body of prayerful persons assures parishioners of daily intercession for their spiritual and physical well-being.

The members are commissioned at a special Mass or privately at their homes or in the facilities where they live. At that time, they receive a certificate, cross and prayer book. Every month, Ministers receive a letter from our pastor asking them to pray for special intentions of the parish and Universal Church. They may add their own intentions as well. This ministry has no meetings. Ministers are asked to offer prayers daily. If you are interested in learning more about the Ministry of Praise, contact **Liz Wallace** at **liz-Wallace@sbcglobal.net**

Please bring your family and friends for what is always a joyous celebration; our SPRED (SPecial REligious Development) Mass: Sunday May 21 at 11:00 a.m.

SPRED is based on small faith communities with our partners/friends who are eager for relationships with others and with God. SPRED uniquely offers the promise of inclusion in parish sacramental life.

It is for that reason, we are thrilled to celebrate the First Communion of several of our SPRED friends, and their siblings during this service. Every parish in the Archdiocese of Chicago is called to offer appropriate faith formation for persons of all ages with special needs. If you know adults interested in becoming volunteer catechists in surrounding parishes, or know of a someone who would benefit from SPRED, please contact Sloan Donnellan Salah 847.312.1155.

Transformation: Living Christ's Mission Today

Each One Bring One – A Transformative Idea

When the Transformation Team proposed program ideas that might work for OLPH, they identified an idea that seemed both obvious and challenging: one that, hopefully, will bring more people closer to their faith and to one another. The idea is simple. Bring someone along with you to Mass, a ministry meeting, a service project, a prayer event, or even to a round ball game, and help us overcome one of the biggest issues facing OLPH -- our size. Yes, we are a big parish, and big parishes can be intimidating and often difficult to navigate. The many ministries and events we offer can help scale our parish down to size, but opening the door and stepping into something new is not always easy. If someone you trust goes out of their way to encourage you and, even better, agrees to accompany you, suddenly those perceived barriers collapse.

This week, we are unveiling our own welcoming campaign called, **"Each One, Bring One."** It couldn't be easier! We are encouraging each parishioner to bring someone to a church event. We're asking you to be aware of the people you meet. Seize those opportunities you're given to reach out and offer your hand to someone who may be eager to participate but reluctant to step forward on their own.

Years ago, another parishioner invited me to join the Men's Spirituality Group. I knew no one and no one knew me, so it seemed daunting to blend in with people who had been parishioners for 20, 30, even 50 years! But, the group was very welcoming and, now, I feel like a regular. I have even invited other men to the Saturday morning discussions. Each one, bring one!

To illustrate the ripple effect this can have, I was then asked by someone in the Men's group to join Scripture Study. Someone in Scripture Study asked me to join Sharing, and another invited me to join the Engagement Committee and even to apply for Parish Council. It has been like a snowball gathering momentum and growing bigger and bigger. I have made friends, found a spiritual family, and now work to spread the joy through our Transformation initiatives. One simple "ask" can truly transform our lives.

We are now asking you to embrace this concept of **"Each One, Bring One."**

For the past several weeks, these Transformation articles have been written by Rob Orr and Margie Andre. Joining with us on the Transformation Implementation team is Sarah Lane-Hill and Hank Pielach. Sarah is liaison to a couple of Ministries and has developed the Transformation logo and our "Each One" poster. Hank is working to develop youth programs. Together, we are tracking the progress our Parish is making on the many Transformation Programs that have evolved from our first meetings: OLPH 101, HeartsAfire, Father Hickey's Prayer Tastings, Father Nick's talks on Lent and Advent. These are just a few of the many ideas that Transformation has inspired.
Together, we are making a difference.

Sharing Ministry

You Make a Difference!

Food donations have dropped significantly, but hunger marches on. Please continue to remember the needy when you are at the market. Pick up a few extra items and make a difference to a hungry family. Non-perishable items can be delivered to the Sharing Room, dropped in the baskets at church entrances or when children bring them to the altar at the offertory during any weekend Mass.

Urgent Need for a Household Necessity – Toilet Paper
Toilet paper should not be a luxury, but it is for many needy people. Please consider toilet paper and other hygiene products when shopping for Sharing.

Feed the Homeless at Marquard Center

Help feed the homeless at Marquard Center on Sunday, May 21. We welcome donations of fresh fruit, cookies and candy, which can be delivered to the Parish Center (former convent) porch that Saturday.
We welcome volunteers to help prepare the meal on Sunday morning here at OLPH, as well as volunteers to go down and serve later in the day. We are also in need of donations to offset the cost of the meal. Contact Terri Guercio, 857-729 5916, terri.guercio@ubs.com.

Feed the Homeless at Catholic Charities, Des Plaines

We will be feeding the homeless who visit the Catholic Charities soup kitchen in Des Plaines on Thursday, June 22.

Contact Kathy Quinn, khquinn1944@comcast.net, to participate or to make a donation to offset the $350 cost for this meal. It takes both donors and volunteers to make these visits happen.

Volunteer Opportunity - Saturday Morning, June 10

Feed the Hungry at St. James

We are organizing a group of about 50 OLPH volunteers to participate in a Farmer's Market style food give-away event, sponsored by the Greater Chicago Food Depository, at St. James on Saturday, June 10. We will organize rides, leaving at about 7:00 a.m. from the OLPH parking lot and returning early afternoon.

Contact Tom Rinella, tr5055@comcast.net to participate. This is a wonderful family activity. Please consider joining in this enriching outreach to the needy who call upon the St. James Food Pantry.

HEARTLAND ANIMAL SHELTER

2nd Grade Students of Service Project

Blanket/Towel Drive

May 1 – 10, 2017

Collection boxes located in all school buildings, church exits and McDonnell Hall.

2nd Graders are partnering with Heartland Animal Shelter to collect new and gently used blankets and towels for the animals to cuddle with while at the shelter. Towels are also used for pet grooming. If you choose to make blankets, please use fleece material because it is the most durable and the cats/kittens cannot tear them with the risk of ingesting the threads.

We need your help for a successful project. Thank you for your contributions.

Backpack Drive • May 1-26

The 5th Grade Junior Girl Scouts Troop 40105, of OLPH School, is coordinating a backpack drive in an effort to earn the Girl Scout Bronze Award. A labeled collection box is located in the south church vestibule.

We are collecting backpacks for Chicago Urban Ministries & Life Intervention, who work with the urban homeless of Chicago; those who have established their lives on the street as opposed to seeking shelter or other assistance. Every Thursday, Chicago authorities make a sweep, through Lower Wacker and other areas, with a garbage truck and clean up any unattended items. Many homeless individuals experience their items being discarded although it is their home and all they know. Often, family photos or precious mementos -- unless carried with them -- will be lost. Being able to keep those items in a backpack is of great comfort. The backpacks should be in decent shape, but even a backpack remaining after a school year of use often has a lot of life left. Included in the drive are the string kind many of us get after participating in a sports activity, or event, and often don't use again.

Thank you from the 5th Grade, OLPH Girl Scouts, Troop 40105.
