Thoughts on the

SUNDAY SCRIPTURES

In today's reading from the prophet Isaiah, there is a guarantee that the unleashing of God's Word will bear much fruitfulness in the world.

The Word of God will accomplish whatever God sends it forth to do. His Word is given to us as a gift to be nurtured, shared and made to "bear fruit."

The question is whether or not we are exercising good stewardship over God's Word.

Have we been "fruitful" with God's Word?

Have we unleashed God's Word?

Do we share God's Word or do we leave that task to others?

©ICSC 2017

Dear Parishioners,

"But the seed sown on rich soil is the one who hears the word and understands it, who indeed bears fruit."

One of the pleasures of summer evenings for me is going out for walks in the neighborhood, taking advantage of the beautiful weather we've had as of late. Glenview is blest with a network of wonderful parks. I know nothing about gardening but as I walk, I am so taken by the many spectacular gardens that people cultivate and nurture this time of year.

We have many avid gardeners in our parish and we see the fruit of their labors in the lovely flowers and shrubbery that beautify our parish campus. Even on days of such heat, I often see any number of parishioners tending to our parish grounds for which we are all very grateful.

The scriptures this weekend call us to be mindful cultivators of the gifts the Lord has blessed us with.

While the summer changes the rhythm around the parish, OLPH never stops! Much has been going on to cultivate the "seed" of faith.

The summer began with our program for young people entitled, "Totus Tuus". Vivi Lato, and the team from the Archdiocese, provided an awesome week for our kids. They learned so much and had a great time as well.

This past Thursday, Fr. Nick, and Fr. Dan from St Norbert's, launched Theology on Tap for young adults. For the next several weeks, young adults will gather, at Grandpa's Place, for discussion and friendship. There are wonderful speakers and interesting topics throughout the series! If you are 21-40, please check it out! Thanks to the folks at Grandpa's who are hosting.

The Christ Renews His Parish (CRHP) formation teams for the upcoming women's and men's weekends have been meeting and have great hopes for their retreats this coming Fall. The newly established CRHP Continuation Committee has great plans for future efforts to support the ongoing formation of those who have experienced a weekend retreat.

We are all grateful to Nancy and Mike Deletto for the beautiful gift of the shrine to the Blessed Mother that sits in the garden south of the Church. She is surrounded by such beautiful flowers. Thank you!

Our new Youth Minister, Randy McGraw, has hit the ground running. He has been getting our new youth ministry center organized. In a few weeks, Randy will be speaking at the masses and hosting an open house for you to see firsthand this exciting new addition to our ministry for teens. He met recently with Fr. Paddy to hear about the great influence the Kairos Retreat program has had here.

This Monday, our new Director of Finance and Operations, Jim Dollard, begins a two-week transition process with Nancy Schwider. The financial aspect of this parish can be daunting. Jim comes to this position with a great deal of experience and perspective. The oversight, best practices and transparency challenges of an organization such as ours requires a high degree of expertise. I am excited about what Jim will bring to this position and grateful for Nancy's years of service to our parish.

Please pray for Fr. Paddy who begins his annual retreat this weekend.

Have a blessed week,

Fr. Jerry Boland

Glenview Road Streetscape Project

Construction work along Glenview Road resumed Monday, July 10. With water main work completed, the roadway will remain open; however, some periodic lane closures may occur depending on what is being done.

The contractor will be working to remove and replace sidewalks. Other projects include irrigation system improvements; new street lighting; improved landscaping; stamped and colored concrete; traffic signal upgrades, and roadway repaving.

Please visit glenviewstreetscape.blogspot.com, for more details.

WITH GRATITUDE

Special Thanks

Thank you for hearing the cry of the poor and responding to our heightened need for food. Donations have picked up a bit but summer hunger continues, so please continue those donations!

Items Needed

Ladies Bike

We are looking for a small ladies bike, in good working order, for a Needy Family Fund client. If you have a smaller adult bike to donate, please contact Betty Collins, collinsjustbetty@gmail.com or 847-204-5944.

Twin Bed & Crib

We are in need of a twin bed and up-to-date crib (newer and code compliant) for a homeless family that is moving into housing. Contact Eileen Hoekstra, eahoekstra@comcast.net if you have a bed to donate.

Volunteers Needed

Sorters

A group of volunteers meets in the Sharing Room at 8:00 a.m. on Saturday mornings to sort through donations of clothing and household items. They are looking to grow the team. Volunteers rotate and self-schedule for Saturdays that work for them. Contact Mike Jehle, mjehle@gmail.com, for more information.

Drivers

Food donations are delivered to each of our four Sharing parish pantries on a weekly basis. We have a team of drivers who self-schedule, each making a run or two per month to one of these pantries. We are looking to grow this team. If you are interested, and have an SUV or van, please contact Lee Vandervest, lvandervest@aol.com.

Sharing Meeting – Tuesday, July 25

The Sharing Ministry will hold its monthly meeting on Tuesday, July 25, 7:00 p.m. in the Francis Room. All are welcome!

Combat Summer Hunger

Needy children look forward to the breakfast and lunch schools provide. Summer - a joy to kids in our community - is a time for deepened hunger for kids living on the fringes of our society. Please be mindful of hungry families and donate to our on-going food drive so that the pantries we serve can be ready for this increased need.

*God bless you for your consideration
of those less fortunate!*

Too busy to shop?

We'll do the shopping for you! Mail a donation to:
OLPH Needy Family Fund
c/o Lou Marohn
2132 Fir Street, Glenview, IL 60025

Food will be purchased in case lots to stretch and maximize your donation.

Feed the Homeless at Marquard Center

Help feed the homeless at Marquard Center on **Sunday, July 30**. We welcome donations of fresh fruit, cookies and candy, which can be delivered to the Parish Center (former convent) porch that Saturday. We welcome volunteers who would like to help in preparing the meal on Sunday morning, here at OLPH, and still others who would like to go down and serve later in the day. We are also in need of donations to offset the cost of the meal.

Contact **Terri Guercio, 857.729.5916**
or terri.guercio@ubs.com.

Operation Open Door

Emergency Brown Bag Meals for the Homeless

Hungry, homeless people come to the rectory doors and visit the parish food pantries of our four sharing parishes daily in search of food.

Our Sharing Parishes are often able to respond with brown lunch bags filled with non-perishable food provided by OLPH. These easy-to-assemble bags are donated by individuals, families, and groups.

Bags contain: pre-packaged tuna or chicken salad with crackers, trail mix, peanut butter or cheese and crackers, 100% juice in box or can, dried fruit, plastic spoon and napkin, optional: candy, power bars, and granola bars. Larger sized lunch bags work best.

Contact **Julie** for more information at **847.909.0661**.

Urgent Need for a Household Necessity

Toilet paper should not be a luxury, but it is for many needy people. Please consider toilet paper and other hygiene products when shopping for Sharing.

“AIN’T NOBODY GOT TIME FOR THAT!”

As parents, we’ve all been faced with papers that come home in our children’s backpacks encouraging us to create a work of art together out of items you have laying around your household, including, but not limited to, uncooked pasta, glitter, googly eyes and scraps of fabric. It should be another school project that should be a fun adventure in teamwork. As experienced parents, we knew there would be a good chance it wouldn’t be. There would surely be creative differences, and tears. Of course, tears. It wouldn’t help that this creative adventure also fell during a busy week in life with recitals, games to attend and work deadlines. Surely, when it came to the fun family project, my only response could be **“Ain’t nobody got time for that!”**

Time is certainly a precious commodity. Of course, we spread ourselves too thin when we know that we should use our time wisely, but it can be hard to determine how best to use our time. Do I have time for this? Do I have time for that? What if we found ourselves with more than enough time to accomplish every item on our to-do list, time for all our relationships and time for every journey God has in store for us? Well, that’s interesting. What does God have in store for us?

You see, God knows our every moment; He knows all 24 hours in our day. He has a perfect plan for each one of those hours. As the minutes tick by each day, we get discouraged when our to-do list isn’t finished by the end of the day. Sure, we can say we didn’t use our time wisely because our list didn’t get done. But God challenges us and asks, “If you are walking with me step-by-step throughout your day, isn’t that accomplishing my to-do list?”

“We can make our plans, but the Lord determines our steps.” Proverbs 16:9

So, that’s the plan. If we walk with the Holy Spirit throughout our day, we can experience God’s plans for our time. We accomplish His tasks, His ideas, His hopes. And, in doing so, we can find great satisfaction at the end of the day. Even more satisfaction than a crossed-off to-do list.

Sure, the bills might still need to be paid and the laundry put away. But, we find joy in knowing there’s exactly enough time every day to accomplish God’s will. There is time to be alone and time for friends. There is time for groceries and work and play and much needed quiet time. There’s time for exploring our faith, time for sharing our faith. There’s even time for family school projects involving glue, glitter, and googly eyes.

Turns out, walking with the Spirit, you do have time for that. What do you think? Do you have time to share your faith with the children in the Religious Education Program? Call or email me today so we can talk more about sharing your faith; who knows, there might even some glue, glitter and googly eyes involved.

Transformation Review and Renew

Retreat: July 29, 8:15–11:30 a.m., Hickey Hall

All are invited.

It's been more than a year when more than 60 OLPH parishioners gathered to discuss how the Archdiocesan "Transformation Process" could impact our community. In late Fall 2016, programs inspired by these discussions were offered. For one, we changed the name of the program to better suit our goals: Transformation: Living Christ's Mission Today. The hope is to help parishioners renew their own spiritual commitments and strengthen the ties to our church community. We have made great progress in relative short time. Still, there is a great deal to be done before we can say we have achieved the goals set by our own team.

We're planning a three-hour retreat to review what we have done to date (and to introduce new people to the program) and to renew our goals for the coming years. Anyone with an interest in this program is welcome but please register in advance. Please request an invitation to the e-mail address below.

Transformation began as a task force to discover ways to deepen our faith community. This project has implications for both personal enrichment and our parish community. We are planning a half day seminar filled with short presentations, some guest speakers and guided discussion.

Questions? Sign up requests? Please email transformation@olphchurch-il.org

evOLve Ministry with Fr. Boland

Please join us Saturday, July 22 at 9:30 a.m., in McDonnell Hall as Fr. Boland speaks about "St. Francis, Pope Francis and Renew My Church".

The Francis Effect; approaching his fifth year, how is Pope Francis changing the Church? The presentation and conversation will explore the impact Pope Francis is having on the universal Church and the world. We will recall the context out of which he was elected and the challenges he has faced. We will focus on how the vision of Pope Francis is inspiring the Renew My Church initiative here in the Archdiocese of Chicago.

Renew My Church is an initiative led by Cardinal Cupich to foster vitality in all our parishes. The initiative will develop strategic planning so that our future will be effective and deliberate in building up the Kingdom of God.

Consider a Pilgrimage to the Holy Land • October 2018

Fr. Tom Hickey, our former pastor, will be leading a ten-day tour of the Holy Land, October 22-31, 2018.

To visit the land of our Jewish ancestors and Jesus himself helps our faith come alive. We are able to read the scriptures with a new sense which some call the fifth gospel – the land. Space is limited. Brochures are available in the parish office. An informational meeting will be held in the near future.

Currently, many groups are traveling to the Holy Land. If the situation changes, the trip will be cancelled.

Mary's Closet Clothing Drive – a Resounding Success

In April and May, volunteers within our Sharing Ministry coordinated a clothing drive for Mary's Closet of Catholic Charities. The effort garnered nearly 2,000 lbs. and approximately 3,300 pieces of clothing. The staff

and clients of Mary's Closet were overwhelmed with gratitude. Since the donation was processed, they have served over one hundred clients ...and counting, provided some of the programs they serve with nearly a 1,000 articles of clothing and have inventory available to help open an additional Mary's Closet location.

Mary's Closet
PROFESSIONAL CLOTHING AND CONSULTATION

*"I extend a special thank you to Father Jerry Boland, for his support and sending the OLPH collection for Mary's Closet, which was received by his brother Monsignor Michael Boland, President and CEO of Catholic Charities. This special connection, and the OLPH collection drive, will be featured in the upcoming edition of **Spirit Magazine**.*

Please know that your huge undertaking goes beyond providing professional attire. Your gifts allow clients to present their best selves as they seek employment. OLPH has truly risen the bar for donating and for organizing collection drives. Our hope is for this to become an annual event."

- Toyia Baker, Coordinator, Mary's Closet

Mary's Closet was started in 2011 by members of the Catholic Charities Board of Advisors. The program provides clients of Catholic Charities with professional business attire and personalized attention as they seek employment or begin their jobs. Professional attire is also provided for important life events, such as graduations.

Volunteer opportunities include sorting and organizing donated items, or assisting with client consultations. To volunteer, please email maryscloset@catholiccharities.net.

We all need space to wonder about big questions.

How do I find deeper meaning in my life? What do I need to truly be happy?
Can I get closer to God?

THEOLOGY ON TAP IS A SPACE FOR BIG QUESTIONS
AND OTHER QUESTIONS, TOO:

How I can build better friendships? Go on better dates? Get closer to my spouse?

Join other young adults as we make a space
to ask these questions. Together.
