**“Called to Serve Written Reflection”
My Community/My Family/My Parish**

Service projects must be completed in each of these areas and a reflection written for each project completed. A MINIMUM of a total of 15 hours of service must be completed. We are looking for quality service projects and not just quantity of hours. While the trip to Blessed Sacrament Youth Center is a required service opportunity, it is not counted toward this service requirement. Please be sure to complete this entire form.

You must correlate the service to at least one of the Works of Mercy.
