Special Guest Column

every week in the Bulletin!

While **Fr. Jeremiah Boland** is on sabbatical, various senior staff members will write a guest column to take the place of his weekly Bulletin letter.

This should provide a chance for parishioners to get to know staff and the workings of the parish a little bit better.

Today, **Fr. Larry Basbas**, Associate Pastor, Chaplain of Liturgy and Evangelization, presents a beautiful letter to the OLPH graduation class of 2022.

This week we also have two bonus letters on page 3 of the Bulletin. **Deacon Dave Kalina**, writes about the faith and the Eucharist.

Returning **Deacon James Ssebunnya** brings us up to speed on his journey to be a priest. James will be with us until mid July.

Dear OLPH Class of 2022,

"If You Stop Learning, You Stop Growing"

I have no doubt that at this point you are experiencing an incredible feeling of completion and accomplishment. You're probably overcome with a roller coaster of emotions -- excitement, anxiety, anticipation! Chances are many of you can hardly wait to celebrate this milestone in your life. You certainly have every right to feel the immense joy that comes with your achievement. My heartfelt congratulations to all of you!

However, there is one particular and all-too-common "danger" that must be averted -- that is, falling into the mindset that things "end" the minute the pomp and circumstance is over. The truth is you've only just begun! Your graduation is just the beginning of a new chapter of the amazing story of your life. This is your time to really grow and discover yourself and the world. Acknowledge and

develop your God-given talents, but also be open to trying new things. Until you try new hobbies or learn new skills, you may never know your true passion, purpose, or power.

The great Henry Ford once said, "Anyone who stops learning is old, whether twenty or eighty. Anyone who keeps learning stays young. The greatest thing in life is to keep your mind young." Ford couldn't be more correct! So, I encourage all of you to travel more in order to grow greater perspectives on life as you encounter different cultures and lifestyles. Traveling helps us to be more understanding and welcoming. Perhaps consider learning a new language, playing a new sport, or taking up a musical instrument. The possibilities are endless! The world is your oyster! No matter what you choose to do,

give it your all, but NEVER FEAR failure or dread making mistakes. They are a powerful tool that not only build character, grit, and resilience but can also make you a much better person that God calls you to be.

Just as you enrich your mind through social and academic learning, it is also crucial that you continue to strengthen your faith and be a person of prayer and virtue. Pray continually to develop an attitude of constant communication with God. Trust in

Him always, and let Him take control of things you cannot handle. Learn to cultivate true happiness and share the joy of Christ by encouraging others and lending a helping hand. We grow in grace when we foster charity and true forgiveness in our hearts. We also grow spiritually when we develop the virtue of gratitude. Always thank

God for giving you another day. Thank him for the simple things we often take for granted: the nice weather outside, the birds chirping, a good night's sleep you had, the food on your table, and your family and the love you have between each other. This spirit of gratitude will help you value your life and your choices.

And so, dear graduates, may your hearts be filled with a million thanks for the opportunity to learn. Learning is a blessing that broadens horizons, reignites our passion, inspires others, and leads to new opportunities that the world has so much to offer you. God gives us the gift of faith and reason. Use them to grow as a person. They are like the shoes on your feet. You can travel further with both than you can with just one.

Fr. Larry Basbas

Bulletin Reflection

A couple of weeks ago I read in the parish Bulletin the names of our second grade students who were receiving their First Communion. This brought me back to the time when my wife and I were teaching 2nd grade Religious Education classes. I remember very vividly one such year when, at Communion time, I was giving some of the students their First Holy Communion. In particular, I remember one little girl approaching me with her family to receive the Eucharist. As she stood in front of me, I bent down and briefly talked to her in order to calm her and eliminate any anxiety she might have. I then raised a host from the ciborium and said to the girl, "Body of Christ", and then placed the host in her hand as she said "Amen". Although I had expected her to place the host in her mouth, she just stood there looking at it. I noticed a small smile on her face, but there was no movement to take the host in her mouth. Finally, I bent over to her and

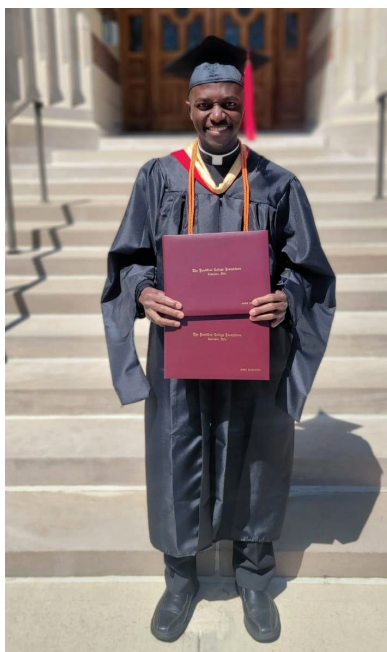

said, "place Jesus in your mouth". She looked up at me with a big grin on her face and placed the host on her tongue. In that moment, it struck me that I had just seen true faith. I am certain that she was consumed by the knowledge that she was truly receiving the Body of Christ

Ever since that time, whenever I receive the Eucharist, I think of the Gospel story about the Apostle Thomas when he saw Christ for the first time after the resurrection. Remember, Thomas had doubted the other Apostles when they told him that they had seen the Lord. It was then that the Lord had told him to place his fingers into the nail holes in His hands and his hand into His side. It was at this point that Doubting Thomas became a believer and uttered his prayer, "My Lord and my God". Remember, the Eucharist is the source and summit of our faith.

I ask each of you, what do you think when receiving the Eucharist? What is your faith telling you at that moment? What do you believe as you stand in front of the priest to receive the host? Are you recognizing, like that little girl, that you are really receiving the Body of Christ?

My Lord and my God.

Deacon Dave Kalina

Dcn. James Ssebunnya

Dear OLPH parishioners,

It is your summer seminarian, Deacon James Ssebunnya. It is good to be back. I call OLPH home, a home away from home.

I know much has transpired at OLPH during my absence in the concluding school year. I thank God for those who have achieved success, and I console those who have had some challenges. The time of my seminary formation has come to an end! I graduated from the Pontifical College Josephinum in Columbus, Ohio, with a Master of Arts degree in Theology.

My short stay at OLPH this summer is remarkable because it crowns the time of my seminary formation in the U.S. My priestly Ordination is coming up towards the end of July. I will be here with you through early July, after which I will fly back home to be ordained a priest for my home diocese of Lugazi in Uganda.

It has been a pleasure spending time at this wonderful Catholic community. I thank **Fr. Jerry Boland**, the priests at OLPH, and the parishioners for making me feel at home. I have encountered wonderful people and have learned great life lessons. I hope to interact with many of you during my stay.

I ask for your prayers as I prepare to take on a serious office in the service of the Lord almighty. Peace and Blessings!

The Sharing Ministry

Sharing Resource Center

The Sharing Resource Center (SRC) is up and running, with new times of operations:

Tuesday and Thursday, 7:00 am to noon

Sunday, 8:00 am to noon

If you have a larger delivery outside of those hours, please contact Betty at collinsjustbetty@gmail.com to make special arrangements.

Donations of non-perishable food have not picked up to pre-covid levels, yet there is great need, particularly with summer ahead and the absence of breakfast and lunch meals provided during the school year. Please donate directly to the SRC, through the baskets at church entries, through the kids at Offertory at Sunday Masses or through Give Central (See QR code below.)

Spring Clean for Sharing

Tis the season to clean out the closets. Please consider donating clothing items you will no longer need to the SRC. We welcome in-season, gently used items which will be pass on to those in need. Watch for the bins outside our Sharing Resource Center on the days/times outlined above. Please make your donation deliveries only during these windows.

First Communion Clothes Donations

We are now accepting donations of 1st Communion Dress Clothes to the SRC and we will get them to OLPH Sharing Parishes for next year's class of 1st Communion students. Our Sharing Parishes would be thrilled to have these items to help their families.

Project Matthew 25 – Kids' Food Donations at Sunday Mass

We invite kids to bring food donations up to the altar at Offertory time during Sunday Masses. This program cultivates the giving habit in feeding those less fortunate.

Feed the Homeless at Catholic Charities/Des Plaines

We are in need of volunteers to serve dinner to the homeless at Catholic Charities in Des Plaines on Thursday, June 2. Contact Kathy Quinn, khquinn1944@comcast.net, if you would like to participate.

We are most grateful for all of the generous donors who are making it possible for us to feed the homeless at this soup kitchen on eight dates in 2022!

Volunteer Opportunity at St. James Sat., June 11

Mobile Pantry at St. James The Sharing Ministry at OLPH is sponsoring a sharing project at our sharing parish St. James on Wabash. On Saturday, June 11 we are seeking volunteers to work at the St. James Food Pantry for assisting in the distribution of food from the Greater Chicago Food Depository.

Pantry clients have said that the foods they need the most are fresh fruits and vegetables. The Mobile Pantry is one way we respond to this need by distributing over 5000 lbs. of fresh produce to an average of 220 households in a span of two hours. The "mobile pantry" is set up in the parking lot adjacent to the St. James Parish Hall.

We plan to meet at St. James about 8:00 am.

You may drive on your own (2907 S Wabash Ave, Chicago), or meet at the OLPH parking lot by 7:15 am to carpool. Activities consist of packaging food items and distributing food bags to pantry clients.

This is an ideal service project for teens.

We usually finish by 12 Noon. If you wish to participate, or if you have questions, please respond by email or call at 630-698-0753. In your reply let us know the number of family members who will participate. We will send out further instructions before the event. Thank you. Tom and Linda Rinella tr5055@comast.net 630-698-0753

Bishop Chairmen Respond to Senate Vote on
Extreme Abortion on Demand Bill

May 11, 2022

WASHINGTON - Today, the U.S. Senate failed to advance the Women's Health Protection Act, S. 4132. This bill would have imposed abortion on demand nationwide at any stage of pregnancy through federal statute and would have eliminated pro-life laws at every level of government -- including parental notification for minor girls, informed consent, and health or safety protections specific to abortion facilities. S. 4132 also would have compelled all Americans to support abortions here and abroad with their tax dollars and would have also likely forced health care providers and professionals to perform, assist in, and/or refer for abortion against their deeply-held beliefs, as well as forced employers and insurers to cover or pay for abortion.

Archbishop William E. Lori of Baltimore, chairman of the U.S. Conference of Catholic Bishops' Committee on Pro-Life Activities and Cardinal Timothy M. Dolan of New York, chairman of the Committee for Religious Liberty, issued the following statement:

"The 'Women's Health Protection Act' (S. 4132) is an utterly unjust and extreme measure that would impose abortion on demand nationwide at any stage of pregnancy through federal statute. We are relieved that the Senate vote to advance this bill failed for the second time in less than three months. This bill insists that elective abortion, including late-term elective abortion, is a 'human right' and 'women's health care' -- something that should be promoted, funded, and celebrated. S. 4132 is far more extreme than Roe v. Wade. It would invalidate widely supported laws that protect women and unborn children from an unscrupulous abortion industry, would force all Americans to support abortion here and abroad with their tax dollars, and seeks to force religious hospitals and health care professionals to perform abortions against their beliefs.

"More than 60 million unborn children have already lost their lives to abortion, and countless women suffer from the physical and emotional trauma of abortion. This radical bill would add millions more to that tragic toll. As a nation built on the recognition that every human being is endowed by its Creator with the unalienable rights to life, liberty, and the pursuit of happiness, we implore Congress to stop pushing abortion as a solution to the needs of women and young girls, and instead embrace public policy that fully respects and facilitates these rights and the needs of both mother and child."
