seek, share, rejoice - pastor's letter...

Jerry Boland, Pastor

Dear Parishioners,

"the Kingdom of Heaven is like a treasure buried in a field"

This summer has been the season of parables. We are amid several Sundays in which the focus of the Gospels has been Jesus' use of parables as a way of instructing his disciples on the power of the Kingdom.

The parables take a simple image to reveal a much deeper often hidden meaning that leads us to insight on how our faith can transform us. Parables draw us into the drama between good and evil; of the priceless in our midst that is unrecognized.

The past several months has in many ways been a parable. Given the dramatic changes we have all had to take, we have come to see the blessing of our families, the gift of life, the power of community and the resilience of the human spirit.

One of our treasured programs here at OLPH has been our scripture study groups. Each semester a couple hundred people gather in groups to reflect on the scriptures.

The current situation presents challenges, but we are going to gather! The focus of this Fall will be a program called, *Genesis to Jesus*. A program developed by **Scott Hahn** and the St. Paul Center for Biblical Theology. The groups will be meeting via Zoom. If you are not familiar with how to access Zoom, there will be assistance to help you set it up. Sign up and further information is in the bulletin. Please consider joining us!

This weekend we will add another Sunday morning mass at 9:30 in the Playdium. We have scheduled several masses to celebrate First Communion and Confirmation sacraments for our Religious Education families. We are attending to several families that will be celebrating memorial masses for the repose of the souls of loved ones who died earlier when we were not able to have public masses.

The process of reopening the school is well underway. This is very complicated, and we will do everything we can to insure the safety of all. We are awaiting the reopening plan for our Religious Education program.

Speaking of that, welcome to our new DRE, **Margaret Waldron** who begins her ministry with us on this Monday. We are so excited to have her. She brings to this vital staff position a deep commitment to the importance of the religious formation of our young people and their families. Once the reopening plan is issued, we will aggressively work to implement the new protocols.

I met this week with **Marty Kearney** the President of the Men's Club. Like much of parish life we will need to adapt to the impact the current protocols will have on activities that are such mainstays of OLPH's pastoral life. The Men's Club has been anticipating these new realities and will do everything they can do to support the life of OLPH.

The Parish Pastoral Council met last week via Zoom. Our new Chair, **Susan Logan** got off to a great start leading our first meeting of the new program year. The Council is a crucial sounding board for me as we navigate such an unprecedented time.

I met with **Russell Stern** our music director. I am so grateful to him and our music ministry that has had to make such adaptations. The current protocols do not provide for choirs and the singing is more "muted" to protect against potential air born transmission of the virus. Russell always amazes me at his ability to adapt.

Congratulations to **Jim Dollard** our outgoing Director of Finance and Operations who was married last month in Erie, Pennsylvania. Congratulations to Jim and **Mary**!

May your week be blessed!

Parish Reopening News

a lot happening!

In coordination with the Archdiocese, we are continuing to seek out ways that will allow our parishioners to celebrate their faith here on the campus of OLPH. It has taken a lot of creativity and teamwork among staff and volunteers to make this happen. We thank the efforts of all involved for their dedication to our parish.

Here are the most recent developments:

New Adoration schedule

Adoration this Friday, July 24 will be from 3:00 - 5:00pm in the church.

Starting next week, Adoration will move to a new time: Wednesdays 1:00 - 4:00pm

Please enter from the Church St. doors.

Saturday 5:00 pm Drive-in Mass will continue

Our Drive-In Masses have been extremely popular and so they will continue through August and possibly into the autumn. Please note that logically it has not been possible for us to livestream the Drive-In Mass. The only way to experience it is to attend in person.

We can accept up to 160 car reservations. We are counting cars not the number of people attending.

Unless you are bringing more than one car, please do not change the number in the Quantity field in the Sign Up Genius.

You must remain in your car and you will be able to hear the mass on your car radio. The Mass will be celebrated on the porch of the Ministry Center, rain or shine. You will be able to receive communion.

9:30 am Sunday Mass in the Playdium begins July 26

Starting Sunday, July 26, there will be three Sunday morning Masses:

- 9:30 am in the Church; max attendance: 82
- 9:30 am in the Playdium; max attendance: 140
- 11:30 am in the Church; max attendance: 82

Please note that we will be able to accommodate 140 people in the Playdium. Chairs will be set up six feet apart for proper social distancing. However, families will be allowed to sit together.

Sign-Up Genius

The Sign Up Genius link for all Masses is being sent out in our Daily Eblasts. For those who do not have access to a computer, contact the parish office, at 847-729-1525, for assistance.

R.E. First Communion Schedule

At long last, we have first Communions scheduled. We realize it has been a long wait and we are grateful for your patience and understanding.

Each class is assigned a particular day. We will be having ten First Communion celebrations. We can only have 82 people in church for each service. Each family will be limited to eight total people in attendance. Our plan is to Livestream each First Communion Mass so that other family members and friends can join online.

Here is the First Communion Schedule:
(Please note: all dates are Saturdays)

Date	Time	Class
Aug 1	3:00 pm	Mrs. Jordan's Tue 4:30 pm
Aug 15	1:00 & 3:00 pm	Mrs. Grein's Tue 4:30 pm
Aug 22	3:00 pm	Ms. Curtis' Sat 9:00 am
Aug 29	1:00 & 3:00 pm	Dcn/Mrs. Kalina's Tue 4:30 pm

Sep 12	1:00 pm	Mrs. Condon's Tue 6:30 pm
Sep 12	3:00 pm	Ms. Buhay-Castro's Sat 9:00 am

Each family will be assigned one pew. Each person will be required to wear a mask. Each family will come up one at a time and receive communion together.

(Please see page 5 of this Bulletin for a listing of the R. E. First Communicants.)

Volunteers Needed!

We have formed a Greeter/Usher Committee to help with Reopening Our Church.

The Greeter/Usher welcomes the parishioners and guests into the Church, makes sure that they are wearing a face mask, squirts sanitizer into their hands, and leads them to a spot in the church marked with a sign, "Please Sit Here." These signs are socially distanced six feet apart.

We are in need of some helpers for Mon-Fri 8:30 am Mass, Sat. 5:00 pm Drive-in Mass; and Sun. Masses at 9:30 am and 11:30am,

We also need Greeters/Ushers for Funerals (Mon -Sat, usually at 10:00 am); Weddings (Sat at 1:00 pm or 3:00 pm), Baptisms (Sun at 2:00 pm or 3:30 pm) and Reconciliation (Sat 4 pm)

If you are interested in helping, please contact **Laura Kearney** at 847-729-2936 or lkearney@olphglenview.org. Thank you very much.

Fall Religious Education Registration is now open!

Religious Education Registration for the fall of 2020 is here!

With the Covid pandemic, our first priority at OLPH is the health and safety of everyone. OLPH Religious Education will follow public health, government and Archdiocesan recommendations and protocols.

Three new class days

In order to limit the number of students in each class and on the campus at the same time, we offer three additional class days this year. When we know numbers and what families prefer, we will assign classes. The new Sunday class, between Masses is only 50 minutes long. Those attending Sunday morning classes will meet 30 times instead of 24 and attend a special event each semester.

Appeal for Catechists

With smaller classes and three new days of class, we are in great need for Catechists. Times are Mon., Tue., Wed., 4:30-6:00 pm; Tue. 6:30-8:00 pm; Sat. 9:00-10:30 am; Sun. 8:40-9:30 am; and one Friday evening and Sunday per month for the Gather and Grow program. All grade levels needed. Have your own class or be a team teacher. Young and old welcome to volunteer.

Additional Options for traditional in classroom sessions

Options other than the traditional classroom 24 session classes are Gather and Grow (a family program involving parents and children), e-learning, and Home Schooling. Gather and Grow has its own curriculum. With e-learning and Home Schooling, the curriculum would be the same as the traditional classroom program. Children signed up for e-learning and Home Schooling would be expected to join other students for two activities per semester.

Seventh and Eighth graders are not eligible for e-learning or Home School options as they are preparing for Confirmation and part of the dynamic is sharing the process with their classmates.

Fees remain the same this year

Fees for Religious Education are the same as last year. A limited number of scholarships are available. **Ability to pay should NEVER keep you from enrolling your family in any of the programs.** Please contact the Rel. Ed. Office to discuss scholarships, payment plans and financial issues.

This link will take you to the Registration Page.

NEW for Sunday Mass: Virtual Worship Aides!

We are now providing parishioners with virtual worship aides.

These will be easy to use guides that are formatted exactly like a printed worship aide. You will be able to turn the pages and follow along throughout the Mass. Most importantly, they will enable you to participate in the ceremony. You can pull the worship aide from your phone whether you are in attendance in church on Sunday or viewing from home.

The link to the worship aide will be provided in the weekend eblasts and on our olphglenview.org website.

Thank you so much to **Margie André** for creating the worship aide with guidance from **Russell Stern**.

Thank you also to **Jim Geldermann** for his expertise in researching and recommending this technology.

Technology Update

Transitioning from pre-recorded to livestreamed Mass

Over the last couple of weeks, under the Reopening plan that we have received from the Archdiocese, we began to celebrate Mass in our church with a limited number of parishioners in attendance. With this change, we have transitioned from pre-recorded Masses to livestreamed Masses. This transition has resulted in changes in the way we present the Mass online and that has lead to some issues for parishioners in their ability to find the Masses.

Prior to the limited Reopening in June, we pre-recorded the online Masses. They could be viewed from the "Featured Mass" playlist on our YouTube Channel at any time after 6:30 am. The following day the Mass (and the Homily) would be transferred to the "Archived Mass" and "Archived Homily" playlists respectively.

Now that we are livestreaming Mass, the way to view Mass is a little bit different. We livestream one Mass per day. The livestream starts about 15 minutes before Mass time. The 8:30 am weekday Masses normally go live around 8:15 am. The Sunday 9:30 Mass goes live around 9:15. The link to the livestream is sent out in every eblast and it is on the homepage of our website. After the Mass has ended and as soon as we are able, we make the Mass available on the "Featured Mass" playlist. Then, as before, it is available for viewing the next day and thereafter from the "Archived Mass" playlist.

Each Saturday at 5:00 pm throughout the rest of the summer, we will celebrate a "drive-in" Mass. Parishioners who register via Sign-Up Genius can attend Mass in their car and listen to the service on their car radio. Communion will be delivered to each car by our priest and deacons as they walk throughout the parking lot. The radio audio broadcast is available to those cars in attendance.

We appreciate your understanding, patience, and support, as we are striving for continuous improvement in the ways we utilize technology to bring the Mass to you. Our goal is to maintain and, in fact, grow our spiritual community even during these times of the pandemic.

Thank you. OLPH Digital Ministry

Catholic Charities Evening Suppers Need Your Support to Continue

Catholic Charities continues to feed the needy on Tuesday and Thursday evenings. In lieu of a sit-down dinner, guests are provided a To Go meal. OLPH has committed to fund seven of these events in 2020, each running \$500. Please help us feed the 100 or more that stand in line for this much needed food support.

We have three more dates to cover this year, 8/27, 10/15 and 11/5. We have been coming up short and sharing volunteers have been stepping in to cover these events. Next year we will commit to only the number of dates which are financially covered.

Please help us in funding these next three dates for 2020 and donating for future dates in 2021.

Sharing Parish News:

The St. Sabina Academy Benefit which was postponed in March has been rescheduled for Sat., Oct. 3, at St. Sabina Academy.

This is a most important event for the school and the families who have been adversely affected by the recent crises.

The mission of the school is to provide each child who attends St. Sabina Academy with a high quality catholic education in a safe and nurturing environment.

As in the past, the primary fund raising efforts for this benefit are the sponsorships, auction items, and raffle.

The community of St. Sabina is thankful for your past support and hope you can join them in supporting this year's event.

seek, share, rejoice - paycheck protection program...

There has been interest among parishioners about the government's **Paycheck Protection Program** as it relates to the Archdiocese of Chicago and specifically to OLPH. Please check out the Q & A below for answers to some commonly asked questions.

Why is our parish receiving CARES Act loans through the Paycheck Protection Program?

Our parish has experienced a significant decrease in operating income resulting from the absence of regular offertory contributions due to the suspension of weekend Masses and public liturgies. Additionally, our parish has experienced financial losses from the absence of an Easter collection, which provides an important part of our overall annual offertory. Our parish has also had to cancel a number of fundraising events which contribute monetary support to our budget each year. In fact, the pandemic hit the week before the night of our annual St. Patrick's Day party, which then had to be cancelled, and of course every event since then has been cancelled. As we move closer to Fall, so many of our favorite parish celebrations are typically scheduled and our ability to hold these future fundraising events is also in doubt.

The uncertainty related to the economic situation of our parish made the Paycheck Protection Program (PPP) loan necessary for the ongoing operations of our parish. In accordance with the provisions of the CARES Act, our parish had to use the PPP funds to pay for payroll and utility expenses only.

With public Masses suspended, what has been the financial impact on our parish?

Sunday offertory is \$7000 below the weekly average since March 15. Because our parish already operates on thin margins, any reduction in offertory is significant and negatively impacts our ability to meet payroll. Please note that our parish employs about 120 people, including parish staff, teachers, and maintenance staff.

What services is our parish providing during this time?

Our parish employees are providing a significant number of services and resources during this time, including but not limited to:

- Providing livestreamed Masses and liturgies;
- Celebrating outdoor "Drive-In" Saturday Masses;
- Eblasting updated information on a daily basis to subscribers of our newsletter, as well posting updates on Facebook and other social media;
- Facilitating virtual prayer groups and faith formation opportunities online;
- Conducting outreach to parish families and senior citizens, such as hosting/collecting food drives, providing emotional and spiritual support, ensuring that the most vulnerable have access to vital resources; and
- Educating more than 850 students in our school and 600 students in our religious education program.

Why is our Catholic school receiving CARES Act loans through the Paycheck Protection Program (PPP)?

Most Catholic schools in our system receive subsidies from their parishes to satisfy operational expenses such as payroll because their costs per-student exceed the price of tuition. The decrease in parish offertory contributions resulting from the suspension of public Masses, together with a drop in tuition payments and cancellation of fundraising initiatives as a result of COVID-19, has had a negative impact on our schools' finances.

Til the end of the school year in June, our Catholic school staff and educators continued to work each school day to provide quality online instruction to our students and the PPP loan was necessary to support the payroll needs of our school staff and educators.

Do faith-based organizations such as the parishes and schools of the Archdiocese of Chicago qualify for a Paycheck Protection Program (PPP) loan?

Yes. The CARES Act contained specific provisions which made our parishes and schools eligible for PPP loans. Each parish and school maintains its own budget for staff payroll and operating expenses. Given the current economic uncertainty and long-term negative financial impact of COVID-19, the PPP loan request was necessary to support ongoing operations of our parishes and schools.

Are we using any parish savings?

Yes, parishes have had no choice but to access available savings to address operating expenses. In addition, the Paycheck Protection Program loan was sought because of current economic uncertainty about our ability to satisfy payroll and other operating expenses, as well as the uncertainty surrounding the long-term negative financial impact resulting from decreased offertory and the cancellation of fundraising events.

How much money did our parish receive through the Paycheck Protection Program (PPP) loan?

Based on the rules of the CARES Act, all PPP loan applications are based on a 2.5 month multiple of our average payroll expenses for the previous 12 months, which for our parish equates to \$1.4 million. This money was to be used for payroll and utility expenses only.

seek, share, rejoice - givecentral...

We need your support now more than ever!

As you know, Sunday collections are vital to the health and sustainability of OLPH. We are always so thankful for the generosity of our parishioners. During this difficult time, we ask that you continue to support our church.

With more and more restrictions in our ability to gather together or even leave our homes, it has become imperative that parishioners begin to utilize our GiveCentral online giving portal. We do understand that, up until now, some of us have been reluctant to switch from writing checks to using an online method. We seriously ask you at this time to try GiveCentral.

Accessing our GiveCentral Portal Online

On our website and in most of our eblasts you will see the Give Central Logo depicted here.

This logo will always be a live link to our OLPH GiveCentral homepage. Whenever you see this logo on our website or in an eblast, you will be able to click on it and it will take you directly to our portal.

Accessing our GiveCentral Portal from Your Phone

To access our OLPH GiveCentral homepage from your phone, point your phone camera app at the qr code below. You will simply and easily be able to donate to our Sunday collection directly from your phone.

Or dial our text-to-engage number 570-354-6574 and then text the word "Sunday" to make your gift.

Our GiveCentral Home Page

The image below is a screen shot of our OLPH GiveCentral homepage. To make your regular Sunday donation, click on the "Sunday Giving" icon which has the image of our church on it.

The screenshot shows the OLPH GiveCentral homepage. At the top, there's a navigation bar with links for Support, Login, My Gift Basket, Home, Who We Are, What We Do, Resources, Blog, and Find Your Charity. The main header features the "giveCentral" logo and the text "Our Lady of Perpetual Help". To the right, there's a banner for "OUR LADY OF PERPETUAL HELP 1919-2019 100 years of Grace GLENVIEW, ILLINOIS" with an image of the Virgin Mary. Below the header, there are two columns: "Contact Us" on the left and "Ways to Support Our Lady of Perpetual Help" on the right. The "Contact Us" section includes fields for Name, Website (with a link to www.olphglenview.org), Phone (847) 729-1525, Address (Our Lady of Perpetual Help Glenview, IL, 60025), Email (jdlorad@olphglenview.org), and Text To Give: (570) 354-6574. The "Ways to Support" section shows four thumbnail images: "Sunday Giving", "St. Pauline's Needy Family Fund", "Easter 2020", and "Befriend-a-Family | St. Sabina Family". An orange "View More" button is located at the bottom right of this section.

Need assistance?

We want to make this process as simple as we can for everyone.

Have any questions about setting up your online donations through GiveCentral? Don't worry, we can help!

Just contact our **Office Manager Laura Kearney** and she will assist you. Laura can be reached directly at (847) 729-2936 or at lkearney@olphglenview.org

To summarize, we understand that making the change from writing a paper check to making a donation through an online portal may be outside of your comfort level. However, please understand how important it is for the vitality of our church that you give it a try.

If for any reason you still are not comfortable making the switch, we ask that you continue to support our Church in the best way you are able.

Thank you and God bless you all as we work together to get through this national health crisis.

ONLINE BIBLE STUDY WITH MUNDELEIN SEMINARY

Join Father John Kartje for a four-week online Bible study on the topic of "*Living on the Edge of Chaos: Finding Hope in the Face of Fear*".

This Bible study course uses audio meditations recorded by Father Kartje with accompanying Bible passages and spiritual exercises for further conversation and reflection. Father Kartje will explore biblical examples drawn from the historical books and the prophets, Wisdom literature, the Gospels, and other New Testament texts to illustrate how the sweep of salvation history often follows a journey from order, through chaos, to a new reality shaped by the Kingdom of God.

Father Kartje will also lead a live Q&A for study participants on August 8.

Community Announcements

Due to COVID-19 restrictions, our annual Morning of Reflection to recognize the Feast Day of St. Ignatius Loyola cannot be held in July. Instead, IVC Chicago will be offering a video reflection, prepared especially for this occasion.

Dr. Gillian T.W. Ahlgren, Professor of Theology at Xavier University, will present:

Courage, Change, and Resilience: Ignatian Wisdom for Today

When we reflect on the life of Ignatius Loyola as well as the insights developed over years of spiritual companionship that crystallized in his Spiritual Exercises, we can distill a process for proceeding wisely in challenging times. Join Dr. Gillian Ahlgren for a guided consideration of Ignatian tools that support deeper sensitivity, courage, wisdom, and strength for the journey ahead.
