

Confirmation Service Fair

An important aspect of Religious Education and Confirmation Preparation is theological reflection. As part of the service component we ask that the students reflect on their experiences and create a presentation board that they will display for all RE classes at the Confirmation Service Fair. **Ideally, Service Fair Presentations should be done on service performed outside of the required Blessed Sacrament Youth Center you attended with your class. Your presentation should concentrate on a service you did **individually** or on your own outside of the Confirmation Program or your Confirmation class.**

Example:

This board should somehow include/answer the following:

- Where/with whom/with what organization I did service – give brief history and background.
- Why did I choose this? What gifts did I feel I could offer?
- What was the most meaningful aspect of this service?
And/or
- What did I receive from those I helped in doing this service?
- This board can include pictures, photos, brochures, written descriptions and journal entries.
- Any promotional materials that can be distributed to promote the organization you are

Please be sure to arrive on time and after you have set up your presentation board, please be ready to share your experiences and answer questions with the rest of the Religious Education Students in Grades K-7th as they walk around McDonnell Hall. Please see separate posting of your class service date.
