Good Things Happen When You Pedal

This is a great town for biking and Bike Glenview is the community resource for residents to get the most out of pedaling around town.

Bike Glenview is a community-wide initiative that promotes biking as a healthy, cost-effective and low-polluting way to travel around our Village. The initiative is made possible through a cooperative effort of the Village of Glenview, Glenview Park District, Glenview Public Library, Glenview Chamber of Commerce and the Glenview Natural Resources Commission.
