Raising Children. Transforming Lives.

## Lenten Almsgiving

Support orphaned, abandoned, and at-risk children throughout Latin America and the Caribbean

This year during Lent, a group of twelve young people from NPH Guatemala, a home for orphaned, abandoned and at-risk youth will be welcomed into the homes of families from Our Lady of Perpetual Help. Throughout their stay they will participate in a folkloric music and dance tour to raise awareness and funds at a variety of churches, businesses, and schools. The group will be in Chicago from March 1-19. The members of the group are in their late teens/early 20s, and they are very talented performers.

Nuestros Pequeños Hermanos (NPH, Spanish for Our Little Brothers and Sisters) was founded by a Catholic priest, Father William Wasson, in 1954. NPH is a unique network of homes and programs transforming the lives of vulnerable children in Latin America and the Caribbean. There are nine homes located in Bolivia, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, and Peru.

### NPH children...

- are welcomed into the family for life and receive direct physical, emotional and spiritual support. This gives them security and a sense of belonging.
- perform daily chores. This teaches them responsibility and pride for their NPH home.
- are given a quality education and have the opportunity to pursue a trade or university degree.
- give back a year or more of service to share the responsibility of raising the family.

**THANK YOU FOR YOUR ALMSGIVING CONTRIBUTIONS THIS LENT. WE LOOK FORWARD TO SEEING YOU DURING THE TOUR!**
