

## **Gather & Grow Overview:**

Gather & Grow, a Family Catechesis program, equips the parents in our parish to pass on the Catholic Faith to their children enabling them to grow in their faith together as a family.

Using the curriculum provided by *Family Formation*, our sessions provide a unique, challenging, and creative curriculum that is family-based, includes adult catechesis and training for parents, is founded on the Truth and teachings of the Catholic Church, and is designed to make living the Faith a way of life and a life-long learning adventure.

The Gather & Grow Program includes:

- Adult formation and grade specific classroom curriculum for monthly parish gatherings
- Weekly family home lessons, which enable parents to be the primary educators of their children in the Faith
